

It'll Soon be Christmas

Isn't it amazing how quickly we move through the seasons. We've hardly put the suncream away and we're faced with racks of Christmas Cards in the shops. The Parish Council is currently planning a celebratory event to mark the lighting of the Parish Christmas Tree and we would like to invite you to join us at the Village Hall, Tibshelf on Tuesday 1st December at 5.30 p.m. to enjoy the festivities. There'll be a Christmas themed bar including mulled wine, hot food and mince pies: Santa will be in his grotto to hand out some small complimentary gifts for the children and last but not least Kirkby Brass Band will be entertaining us with Carols and seasonal music.

See you there ...

Rutland Road Sportsground

Sports and Play

Shetland Road

The Parish Council have set up a Working Group to pull together results from public forums we have held in the past and to consider how we can develop and upgrade the sports ground at Shetland Road to its full potential. This will include the refurbishment and extension of the pavilion and the development of the area of land which was used by the racing car club. Our ultimate aim is that the development will benefit all sectors of the community from young to old meeting interests from sport.. to fit-

ness.. to leisure. This will involve applying for external funding so it won't happen overnight but we intend to make it a priority.

..and an update on Lincoln Street

We have been informed by Bolsover District Council who are managing this project that the installation will take place in November.

'Fayre' weather in September

The weather was kind to us on 12th September when the Village Hall held its Summer Fayre. A big thank you to all who supported us whether you had a stall, donated a raffle prize or just turned up on the day - it was very much appreciated. We raised £418 for the village hall funds.

Due to the success of the event and in response to many requests, we intend to hold a similar event next year.

"The allotment society had a very successful day in a pleasant and friendly atmosphere We hope the Fayre will continue in the future"

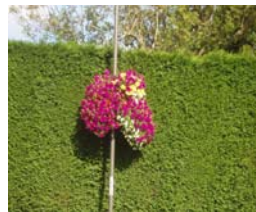

A New Vicar for Tibshelf

As in previous years the Parish Council continue to support the Remembrance Day service which this year was held on Sunday 8th November 2009.

This was our first opportunity to work with the new vicar Revd. Gill Manley who joined St John the Baptist Church on 23rd September 2009.

We have a long history of working closely with the local churches and we look forward to a long and happy relationship with the new Minister.

Around the Parish

Allotments

The Allotment area is owned by the Parish Council and leased to the Allotment Society, who manage it. There is a waiting list for allotments and the Society have been grateful to receive funding from the Parish Council for 5 new plots which have been worked this year and from Coalfield Regeneration Trust which has enabled them to begin preparing new plots for letting in the Spring. If you are interested in adding your name to the waiting list then please get in touch with the Allotments Secretary -Barry Walker on 01773 590193

Hanging Baskets

The Parish Council reviewed the provider of the hanging baskets this year and made a decision to go with a new firm - Civic Pride. We hope you will agree with us that they provided a fantastic show - we have been very impressed with the quality of their product and have noticed that they have lasted far longer than those in many of the surrounding villages.
