**0705/05 Chairman's Report**

Over the past year too much time and energy has been wasted over personalities and bickering. The council was and is elected to work as a body to represent the well being and interests of the Parishioners of Tibshelf. This we will do.

We have established procedures and protocols that will ensure that the Council operates in legal compliance and financial good order. It will ensure that Council fulfills its legal obligations as an employer.

We will continue to work with the County and District Authorities and Derbyshire Police to combat the main anti social problems experienced by this village and probably every village in the UK.

Our objectives also include freeing the village of the litter problems which blight the appearance of Tibshelf.

We will manage the maintenance of our assets – the Sportsground, Pavilion, Cemetery and Village Hall.

We aim to have the new play area operating at the Sunny Bank site for this summer.

We will listen to, communicate with and represent our parishioners – our electoral pledge. Let's do the job together.

**0705/06 Derbyshire County Councillor's Report**

No report was presented due to the absence of the County Council representative.

**0705/07 Bolsover District Councillor's Report**

Last year the District Council achieved a lot, play areas being the main point and £46,000 of funding was secured from the District Council for play areas in Tibshelf.

Bolsover District Council has made big improvements across the District and will continue to do so over the next term, developing new initiatives.

The Council has worked with the Parish on issues within the village particularly the Racing Car Club and will continue to do so.

The debate concerning waste collection will continue over the next year and the Council will listen to the public.

Cllr. Beckett stated that she had enjoyed her term in office and hoped that she had represented the village well and wished good luck to the new District Councillors, Deborah Brindley and Ray Heffer.
