0902/400 Gritting and Grit Bins

It was proposed by Cllr. Watson, seconded by Cllr. Beckett and RESOLVED that this be referred to the Amenities and Environment Sub Committee so that it may make recommendations as to the number and location of new grit bins following a walk round the village.

The problem of salt shortage has been exacerbated by people helping themselves to the grit from the bins to use on their private property. It should be pointed out in the newsletter that this practice is unlawful and signs should be fixed to each grit bin stating that the grit is for use on footpaths and roads only and not for private use.

The Clerk reported that the responsibility for gritting side roads and footpaths lies with the County Council not Bolsover District Council and not Tibshelf Parish Council. There is no duty on the Parish Council to perform this task, this lies with the County Council and it is not anticipated that this duty will be put upon Parish Councils in the future.

It was RESOLVED to write to Derbyshire County Council requesting that Waverley Street be put on the gritting route as this serves the Doctors Surgery, The Pharmacy and Holm Lea Care Home.
