- 2 drop in surgeries had been held in December but no public had attended.
- PCSO Brownlee had spent much of his time conducting house to house enquiries relating to local burglaries and other crimes in the village. He had also conducted nuisance patrols which had resulted in alcohol being confiscated from under age drinkers.

Members were provided with information relating to PCSO's shifts in Tibshelf. A letter of introduction had also been received from the new Inspector for the Bolsover section Inspector G J Lamin.

**County Council**

Cllr Moesby reported on DCC matters. He informed Members that he had undertaken a site visit to view the breach in the fencing at the M1 bridge on Mansfield Road. This was the responsibility of A1plus the Highway Agency and a report was being passed to them by DCC. In relation to issues raised about speeding traffic coming in to Tibshelf there was a proposal to install safety road markings to discourage speed. ## **0110/576 Minutes of Meetings**

It was MOVED by Cllr.Heffer, SECONDED by Cllr. Vardy and RESOLVED that the Minutes of the Council meeting held on 15<sup>th</sup> December 2009 be approved as an accurate record and were duly signed by the Chairman.

## **0110/577 Chairman's Announcements**

### **A) Recent Adverse Weather Conditions**

Councillor Brindley reported on issues relating to the recent adverse weather conditions. A number of Members submitted ideas for ways in which the parish council could deal with the snow and ice conditions. Although over 4000 kgs of grit salt had been distributed throughout the parish since mid December it appeared that very little benefit had been achieved. A great deal of grit had been removed from the bins but not used on the areas intended. There had been reports of grit bins being emptied by persons in vans.

It was MOVED, SECONDED and agreed that locks should be attached to all the parish council grit bins to attempt to protect the supplies for legitimate use. It was further MOVED, SECONDED and agreed that master keys be distributed to all parish council staff and members with emergency phone numbers being provided for residents. The Chair and Clerk were authorized to compile a schedule of priority areas for clearing/gritting by the parish council in consultation with all Members. It was agreed that those priority areas identified should be cleared/gritted by Parish Council employees when and where it was safe to do so. During inclement weather decisions about the gritting programme would be made on a day to day basis by the Clerk in consultation with the Chair of the Parish Council. It would be necessary to look at the current siting of the grit bins to ensure that they were located in the correct locations to undertake this policy. The Council had exhausted its supply of grit. Attempts were being made to replenish the stocks but because of excessive demand it was proving difficult to get orders filled before the end of January and prices were increasing daily. It was MOVED, SECONDED and agreed that a budget of £1000 be approved for the purchase of stock and equipment and to support the clearing/gritting of priority areas during extreme adverse weather conditions.

### **B) Band for Remembrance Sunday**

The Chair reported that contact had been made with a Band who may be able to parade on Remembrance Sunday subject to agreement by their Committee. It was expected that confirmation of this would be received before the next meeting of the Parish Council.

### **C) Community Response Plan**

The Chair reported on the availability of a framework for the Parish Council to prepare and adopt a Community Response Plan which set out information supporting the parish council's response to emergency situations such as flooding etc: It was agreed that the plan be prepared and brought back to a future meeting for adoption.

## **0110/578 Village Hall Financial Report**

It was MOVED by Councillor Heffer, SECONDED by Councillor Brindley and RESOLVED that the following accounts for payment be approved for signature

PHS Group plc                      Chq No 269    £760.00                      Annual Contract Fee for Waste disposal

**0110/579 Lincoln Street Play Area**

The Clerk reported that she had received only one expression of interest for the locking and unlocking of the Lincoln Street play area. The applicant was prepared to undertake the task at the current rate of £1000 because of the distances involved between the new sites and the two sites which are currently unlocked/locked and the commitment required. It was MOVED, SECONDED and agreed that the rate for the locking and unlocking of Lincoln Street Play Area be set at £1000 for the financial year 2010/2011, that M Wade be appointed to undertake the task and that the fees for the locking and unlocking of all the sites be reviewed in 2011/2012.

The Clerk reported that Bolsover District Council had been approached for a further supply of 'poop scoop' bags. It was MOVED, SECONDED and agreed that the parish council set a budget of £100 for the purchase of poop scoop bags

The Clerk reported receipt of a letter from Derbyshire County Council relating to the proposal to form a new access on to the Silverhill Trail at Newton. No objections were raised to the proposal.
